AI EDUCATION FOR MALAYSIAN COMPANIES

We train your teams with HRD Corp claimable courses, coach your leaders until AI becomes how the company works, and build the custom software that lets you scale.

Courses

In-house and public AI courses for every role, built on your team's real work.

From MYR 3,000 (half day in-house, up to 15 people)

Coaching

One-to-one coaching for leaders and adoption coaching for teams.

From MYR 1,500 a month

Software

Internal platforms, integrations and AI systems. We start with an audit.

Audit from MYR 2,500 · builds from MYR 8,000

Six courses

- Generative AI at Work (2 days)
- AI Automation & Agents for Operations (2 days)
- AI Strategy for Leaders & Business Owners (1 day)
- AI for Marketing & Content Production (2 days)
- AI in Medical & Clinical Education (1–2 days)
- Build with AI: Websites & Internal Tools (2 days)

Every course includes

- Course workbook and prompt library
- 30 days of access to the winsym student dashboard
- Certificate of completion (verifiable online)
- HRD Corp documentation pack for your claim

Who teaches

Karim Azzaoui, Tharishya Rishya, Dato' Assoc. Prof. Dr. Rishya Manikam and Datin Dr. Sri Latha Balakrishnan.

Courses are HRD Corp claimable, subject to HRD Corp approval. In-house courses start at the earliest 14 calendar days after approval, so plan about three weeks. Coaching and software are not covered.
